

## ASMBYC High Point Series Conditions and Rules 2017-2020

### Description:

The annual High Point Series consists of 12 races, six races each from each of our two harbors, King Harbor and Marina del Rey. The organizing authority is the Association of Santa Monica Bay Yacht Clubs.

The individual races are hosted by member Yacht Clubs of the Association. All Notices of Race, Sailing Instructions and fees are issued and specified by the host clubs.

The scheduled High Point Series events consist of PHRF, One-Design, Cruiser and/or Mariner classes (H Fleet). When a High Point event includes multiple races, the High Point race is the second race of the day.

### Eligibility:

An entrant in the High Point Series is an individual who is named in the race results of the designated High Point Race, and who is a member in good standing of an ASMBYC club.

### Scoring:

The entrant's score in each High Point event will be computed depending on his/her position in the scoring and on the number of boats sailing in his/her class.

The score is determined by the following formula:

$((\text{number of boats beaten} + 1) / \text{number of boats entered in her class}) \times 100$  and rounded to the nearest integer. A score of DNF, OCS, DSQ, or RAF will establish participation in an event.

When an entrant is sailing in a race at other than the entrant's home harbor, his/her score for that race will be increased to 130% of the score calculated above. This increase applies only to boats berthed in a harbor located within Santa Monica Bay.

### Final Score:

Must participate in six (6) races to qualify for the series. The total of an entrant's best six scores will be the basis for receiving an award.

### Awards:

Two perpetual trophies are to be properly engraved and awarded at the ASMBYC Annual Installation Dinner, usually held in January of the year following the series.

The perpetual trophies are:

"The High Point Championship Trophy" awarded to the entrant having the highest score as computed above.

"The Home Harbor Trophy" awarded to the entrant who normally sails out of the other harbor than that of the recipient of the High Point Championship Trophy, and has the highest score among those based at his home harbor.

**Note:** Any updates/changes in qualifying races due to conflict or cancellation shall be posted on the ASMBYC website at [www.asmbyc.org](http://www.asmbyc.org) - **If you have any questions, please contact David Doeh, ASMBYC High Point Coordinator 2017: [truebluem242@aol.com](mailto:truebluem242@aol.com)**
