

# The Cure Cancer Cup Regatta for the Tom Collier Memorial Trophy

We are disappointed to announce that the 29<sup>th</sup> Annual *Cure Cancer Cup Regatta for the Tom Collier Memorial Trophy* race and onshore event scheduled for July 11, 2020 has been cancelled. The guidelines put in place by the federal, state, and local governments and by US Sailing’s Gowrie Risk Report prevent us from physically hosting the event this summer. While Covid 19 has taken over headlines, we need to continue our fight to find a cure for cancer. All of us know someone who has been touched by cancer, and we continue to honor them by supporting cancer research. In this challenging year we are simply requesting monetary contributions which will continue to fund specialized researchers in our lab.

Thanks to your support and to generous donations over the past 29 years, we have raised over \$670,000.00 with all the proceeds going to the **King Harbor Yacht Club Tom Collier Memorial Cancer Research Lab at Cedars-Sinai Medical Center** led by Dr. H. Phillip Koeffler, Director, Hematology/Oncology Division at Cedars-Sinai. Your donation directly supports research efforts seeking ways to slow down and ultimately stop this devastating disease.

Tom Collier was an avid yachtsman and King Harbor Yacht Club member who died of cancer at the age of 31. The event commemorates Tom’s life and provides much needed funds to continue the fight to find a cure for all forms of cancer. One in three people will have at least one form of cancer in their lifetime. In time the answer for Covid 19 will be developed, but the need to fund cancer research will continue. Please find it in your heart to contribute.

For more information please contact Hana Collier at (213) 321-4976 or pirranita@aol.com or Tracey McMartin at (310) 962-0227 or kelbo8@aol.com.

Thank you for your support!

Sincerely,

Hana Collier & Tracey McMartin  
Regatta Committee
