KHYC 2021 TWILIGHTS – First Half 4/15 – 7/1

Notice of Race

Revised 4/12/2021

Protocol for Private Recreational Boating

Adopted from the proposed Protocol from the Small Craft Harbor Commission to the LA County Board of Supervisors and the Department of Public Health.

Signage

- These Protocols must be posted at each public launch ramp, marina, sailing club, or yacht club where recreational boats are docked or launched.
- Marinas and yacht clubs where recreational boats are docked will advise the boat owners of these Protocols.

Measures to Protect Guest Health

- Each boat will log all non-household guests aboard for the purpose of potential contact tracing.
- The person in charge of each boat will confirm that each person aboard has shown no signs of illness and does not live with or had contact with any person who has had signs of illness for at least 14 days. Signs of illness can include but are not limited to: fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, and diarrhea.
- A temperature check should be accomplished if feasible.
- Face coverings will be required to be available for everyone on the boat. They must be worn when within 6' of another person not in the same household for more than 15 minutes.

Measures to Prevent Crowds from Gathering

- Land-based gatherings associated with boating should be avoided. For regattas, it is recommended that skippers' meetings and award presentations be accomplished online.
- When rafted together, persons transiting across boats or on someone else's boat will wear face covering when 6' of separation cannot be achieved.

Measures to Prevent Unnecessary Contact

- Limit number of persons on board based on the natural configuration of the boat to allow a 6 foot separation between non-household persons unless face coverings are worn.
- Face coverings will be utilized in interior areas where more than one person is present.

Measures to Increase and Ensure Hygiene and Sanitation

- The person in charge of the boat shall be responsible for the cleanliness and sanitation of the boat prior to allowing persons on board.
- The person in charge of the boat will be responsible for providing hand washing facilities and/or hand sanitizer effective against COVID-19 to all persons on the boat, to include requiring hand sanitizing before boarding.
- The person in charge of the boat will be responsible for providing disinfecting sprays or wipes that are effective against COVID-19 to sanitize equipment and frequently touched surfaces.
