COMMODORE'S CORNER.

by: *Andy Beggs, Commodore.*

Its hard to imagine that only a month has gone by since the last time I wrote to you, my fellow Club members.

work, especially my wife Suzanne, Joe and Erika Lieser, Diana MacDougall, Sue Akens, and the amazing Social Chair, Robyn Solimando, as well as her husband Joe. So much work! So very appreciated! Reach out to Diana if you'd like to get a copy of your entry portrait!

So much has happened, mostly happy, but also some sad. King Harbor Yacht Club held the annual Commodore's (Beach) Ball on February 3rd. What a blast! We threaded the needle between rain drops and got nearly all the final set from Jimmy's Buffet complete before we shorted out the electrical service for the third and final time. I appreciated the high turnout, including my two sisters, brother-in-law, and many friends from the club. I hope you guys had as much fun as I did! I did in fact go through with auctioning off my Commodore's parking space to the crowd to raise money for King Harbor Youth Foundation. The winners, Opti parents Graham Hebson and Steve Henry, purchased the spot and then donated it to the Youth Foundation.

KHYF, I hear, plans on having Director of Sailing, Roger O'Conner use the spot, but also plans to raffle off individual day-use of this spot for high traffic events like Opening Day, 4th of July, Christmas Parade, and other dates. If you missed out on the auction, but still want to get the best parking spot at the club, please contact KHYF President Erika Lieser for details! I do need to thank all the people who worked hard to make the event awesome. Obviously, our amazing Chef Marcos for the delicious dishes, the whole KHYC service staff and bar staff, Mike and Laura in the office, and especially Lupe, who not only quarterbacked the event, but also was the flower arranger and purchaser. If you liked the flowers that you saw, please thank Lupe! Additionally, there were loads of volunteers who spent time, money, and sweat to make this

Sadly, there were a number of passings that have happened all at the same time. We lost several club members this past month, as well as one of my best friends from childhood. I know a couple of you lost loved ones as well. Most recently we all learned of the passing of our beloved Mayor, Bill Brand. This month has been a powerful reminder for me that our time here is short. I am inspired by Bill Brand's leadership in this community and encourage all KHYC members to be the Leaders that our corner of the world needs. That includes within our own club. We need to lead by being kind, supportive and polite to each other. For example, Saturday night a fishing boat with 3 teens (former Opti sailors from MDR,) came in to the guest dock. It had gotten rough out on the Bay, it was after dark, and they realized they were not safe. They came to the guest dock because they were familiar with KHYC from their racing days. KHYC members Tim King and Dr. Farlo were on the patio when they came ashore, and they assured the boys that they were welcome here and to keep their boat on the dock for the night until it was safe to make the journey back to DRYC. This is how I want our club to be: kind and supporting! Let's make this our priority. Thank you, Tim and Joe, for looking out for those kids.

This is how we win: great compassion, great kindness, great club: **KHYC!**

PS: Don't forget the Commodore's Cruise to Cat Harbor. KHYC is renting DRYC's Schultz's Landing in Cat Harbor for the June 28-30 weekend. **Don't miss this fun adventure!**

GOOD ADVICE.

by: James Lee, Vice Commodore.

Wow, what a Superbowl Party with an exciting overtime win by the Kansas City Chiefs - Sorry, 49'ers fans!

With a packed crowd of approximately 100 people at the Club who also got to enjoy wonderful Chili Cook-off recipes, especially the winners (3rd place Ronda Pagnini, 2nd place Graham Hebson and 1st place Murial Schonbackler) receiving awards from Social Chair Robin Solimando and Commodore Beggs!

The Commodore's Party was a giant success with over 150 attendees sending out Caribbean vibes and music throughout the harbor on the night of February 3. The Club was decked out in vibrant colors with bamboo *décor*. Members and guests danced away to the live music of Jimmy's Buffet ensemble. A huge thank you goes to Suzanne Beggs, Robin Solimando and the Club Staff for the planning and decorations. Even yours truly got out his Dremel tools to cut the bamboo covers for the windows and doors!

Meanwhile, later in the month, another fabulous Valentine's Day dinner with beautiful decorations and awesome menu with excellent services from the Galley Staff took place!

Also lots of Racing preparations going on, especially in anticipation of the busy season coming up. Race Chair and Junior S/C Dorian Harris has

been busy preparing race documents and having weekly race management meetings. SB2KH Chair Rosie Vullo is already coordinating with SBYC for our flagship race on July 26. **Put it on your calendars, Racers!** The PSSA Ship Rock & Return Race on Jan 27 got off to a beautiful sunny start off Marina Del Rey with Beetle Cat (Zafar Kahn), Kanani (David Bew), Triggerfish (Commodore Beggs) and Mare'zia (me!) representing KHYC. Mare'zia took 2nd place in the single handed class finishing at 3 am Sunday morning. Thanks to R/C Denny Browne and Handicap Racing Fleet Skipper Craig Funabashi for coordinating a 4-part series of race webinars called Lessons from Above provided by Dave Dellenbaugh. Over 20 members and guests signed up for the courses which cover race strategy, tactics, speed and rules. KHYC also hosted on Feb 25 a US Sailing Race Management Course with Area Race Officer Bill Stump as the instructor. JP and I successfully completed this course at Eastport YC in Annapolis and was surprised with a burgee from EYC Commodore, Bob Schnabel!

An enormous thank you goes to the committee led by Sandy Bartiromo for all the research leading to the selection of an Albin 28 to replace the Club's committee boat. The Mark has been in service for the Club since the 1980's. An enormous thank you to Jeff Chambers for maintaining the committee boat, following Alan Curtis's tradition of supporting the Club's racing activities.

KHYC: A Place where Tradition makes a better Future happen!

EDITOR'S NOTE.

by: Rafael Fernandez.

For the last couple of years when ever I came to the club and looked at the entrance glass doors I felt uncomfortable. ***Something was wrong***, like when you just meet a girl that you would want to get to know better, but she has a chunk of spinach salad stock on her front teeth... That's how I felt looking at the blue glass door, mismatched next to the yellow glass door. But then, House Chair Rosie Vullo came along and got it fixed. ***Thank you Rosie!*** Now you won't have to hear my complains any more. Meanwhile, I also would like to apologize to the Cruising Fleet for not including in the February Telltale their Installation of New Officers in January. Please refer to page No. 9 of this issue.

VIEW FROM THE REAR.

by: Denny Browne, Rear Commodore.

Wow, exciting February! And Everyone had a great time at the Commodore's Ball as well.

detached all the tents from each other, removed the blocks where necessary and carefully lifted the structures out of the water, or rolled them back over the rocks. They made the job look easy and for that, we are very grateful.

What many of you may not realize is that a couple of days earlier, all of the tents along the rocks, overlooking the guest docks, found themselves half ON the rocks and half IN the harbor. This was thanks to the big winds we had earlier in the week.

It seems that we have a couple of incidents a year that need substantial efforts, but the members of this club never let each other down. Coming up on March 2 is our annual cleanup day. Please consider coming down to help get our club ship shape in time for Opening Day and the rest of the season!

I couldn't make it down to the club until about 11 am and found quite the mess. The wind was down, but while the tents were mostly intact, they were upside down with the concrete blocks that usually held them down now pointing skyward although they were still attached to each other. The exciting part of the story is how many people showed up to figure out how to get them back onshore and get them ready on time for Jimmy's Buffet show that Saturday night. I'm not even sure if anyone was called, I think they just came on their own. This resourceful and determined group of KHYC members included Tom Marland, Tom Priest, Dave Williams, Mick Shlenz, Marty Burke, Don Souther, Roger O'Connor and Jeff Johnson. Sincere thanks to all these members, and any one whom I might have inadvertently overlooked. The task was daunting, but the team carefully

If you haven't been to the club in the last few weeks, you may not be aware of the new furniture on the patio and balconies, which include beautiful glass fire pits to take the chill of when enjoying the sunsets.

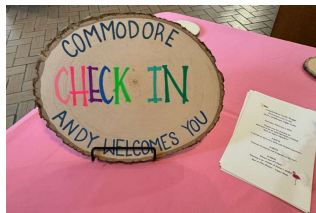

Special thanks to Graham Hebson, Rosie Vullo and team, for conceiving this and helping it get through the approval process.

The KHYC Race Season begins on March 16th with Spinnaker Race #1, the Stoney Special. Jeff Chambers is leading the effort to build a couple of new and badly needed marks so the racers can use them when they get back on the water.

Meanwhile, the club is looking better than I have ever seen it, so I want to encourage you to come visit some day!

COMMODORE'S BALL.

by: Robyn Solimando.

Great Job Robyn... You are an Artist!

KHYC WOMEN'S RACING TEAM

Over Presidents Day weekend, KHYC racers Kristy Lenehan and Julie Coll, along with SMWYC racer Megan Marsh teamed up to participate in the Annual San Diego Yacht Club Women's Winter Invitational.

More than 80 competitors representing 24 yacht clubs from across the nation as well as from Mexico and Canada, traveled to San Diego for this action-packed, one design J/22 sailing regatta.

The racing format is a fast-paced, short-course in La Playa Cove where spectators can observe the races from

the SDYC docks. Teams swap boats in a complex rotation with many races each day designed to ensure all teams get to race against one another. Dan and I enjoyed being there to cheer on the KHYC Team, and it was also wonderful to see the Corinthian Spirit and camaraderie amongst all the competitors.

Congratulations to our KHYC Team!

FISHING FLEET

by: JOHN WHITAKER (Pen Grouper).

March 4th is a meeting with a speaker from Redondo Sport fishing. The Fleet is planning a half day trip. Dates to be announced. April 1st we are very lucky to have Jeff Mariani giving us a talk on fishing Cedros Island. Cedros is like Catalina was 100 years ago. Jeff will tell us about the fishing opportunities as well as where to stay and how to get there. The fleet is trying to organize a group trip, maybe sometime in July.

May 6th is a regular meeting with a speaker to be announced. Also at the end of May is the fantastic East Cape tournament. Please attend a meeting and get all the details.

June is the informal start of our local fishing season. Our June 3rd meeting will feature a return visit from the people at HookUp baits. In the past, this meeting has been our best of the year. They always bring some sample baits right off the assembly line. Also, June 15th is the super fun Father's Day surf fishing derby. Bring the kids and fish the morning and then have lunch and prizes in the club patio. A great way to spend some quality time with your family and they will probably out fish you!!! BTW at most of our meetings chef Jamie cooks up a fantastic dinner. Have a drink, eat dinner and listen to an informative speaker. What could be better.

Finally, the results of the Cabo Shoot Out are in. The anglers really had a wide-open bite. Pictures and a story about the event will be in the next Telltale, but notice the cover page of this issue. Tight Lines!

CRUISING FLEET - 1

by: Katie Gonzalez, Fleet Skipper.

On Fat Tuesday, over 60 Cruising Fleet members and special guests got together for a Mardi Gras Potluck Feast with homemade Jambalaya, Gumbo, Hurricanes, Muffuletta sandwiches, and many more delicious dishes.

The Fleet also hosted a fascinating

presentation by special guests Kellie Fennessy and Mike Priest on their South Pacific Sailing Adventures.

Kellie and Mike inspired many of us to start planning trips to visit the South Pacific Islands too.

In March, the Fleet is hosting two events that all KHYC members and their guests are invited to attend.

Tuesday March 12th 7:00pm on the Upper Deck is a Presentation on Cruising in the Channel Islands

presented by KHYC V/C James Lee, Mike Galloway, Mark Folkman and Keith Angel. The Fleet is also considering planning a club cruise to Santa Cruz Island in the Fall if there are members interested.

NIGHT WATCH FLEET

by: Sara Martin, Fleet Skipper.

After our usual January hiatus, the Night Watch Fleet kicked off 2024 with our meeting on Tuesday, February 6th, where S/C Norie Martin swor in our 2024 Officers. Sara Martin graciously agreed to return as our irrepressible Skipper, supported by a great team -- Plan on coming to the meeting to welcome them to the tasks ahead!

The group will also discuss plans for the rest of the year. We welcome all women of KHYC to participate in our activities, which include: hands-on development of our boating skills; fun and creative art; and personal pampering programs.

We have also been known to take a trip or two; over the years we have taken the Wine Train to Santa Barbara and weekend trips to Catalina Island. In addition to handling guest registration at KHYC's Opening Day, the NWF also typically hosts an annual

Cinco de Mayo party. We can't wait to see what this year has in store for us!

Our specialty is fun and festivity, and all KHYC women are always welcome to attend our meetings. We typically start our potluck dinner around 6:30, followed by our meeting. Keep up to date on events by bookmarking the NWF web page at <https://khye.org/group/pages/club-fleet>.

BOOK CLUB.

by: Rafael Fernandez.

In February we continued with our quest for reviewing Yuval Noah Harari's very interesting and provocative books about the evolution, development and finally the influence of Humankind on this planet.

We reviewed "*Sapiens*", which examines the history and possible future of our species, and gives us a sense of perspective on how briefly we have been on Earth and how significant our influence has been on the planet. It is a thrilling account of our extraordinary evolution:

From insignificant apes to rulers of the world!

The story outlines how our ideas and discoveries have shaped our character and as a result our actions have also affected the environment.

The book reminds us that:

FIRE gave us power,
FARMING made us hungry for more,
MONEY gave us purpose and mutual control,
SCIENCE made us deadly.

So now I ask the obvious question about: ***ARTIFICIAL INTELLIGENCE***, will it make us obsolete?

Much of our history has revolved around the following question:

"How does one convince millions of people to ***believe*** particular stories about gods, or nations, or limited liability organizations? Yet when it succeeds, it gives the Sapiens group immense power, because it enables millions of strangers to cooperate and work towards a common goal"

An imagined reality is something that everyone ***believes*** in, and as long as this communal believe persists, the imagined reality excerpts enormous force on the world. Ever since the Cognitive Revolution, we Homo Sapiens, have been living in a dual reality; on the one hand, the objective reality of rivers, trees and the physical environment, and on the other hand, the ***imagined subjective reality*** of gods, nations and corporations... Today, the very survival of the Earth depends on the ***grace*** of those subjective entities embodied in organized religions, powerful nations with powerful armies and polluting industries who employ powerful organizations, such as Microsoft or Google, for example.

Meanwhile, other more romantic books for review will follow!

UPCOMING REVIEWS:

CRUISING FLEET - 2

by: Katie Gonzalez, Fleet Skipper.

In January, the Cruising Fleet held its Installation of New Officers Fleet Captain Katie Gonzalez (center), Secretary Jaime Gallagher and Treasurer Rich Boyle. The Fleet has many exciting events and cruises planned this year. All KHYC members are welcome to attend the following upcoming events:

Tues February 13th 7:00pm Lower Deck. Presentation on South Pacific Sailing Adventures presented by Kellie Fennessy and Mike Priest.

Tues March 12th 7:00pm Upper Deck. Presentation on Cruising in the Channel Islands presented by KHYC Members V/C James Lee, Mike Galloway, Mark Folkman and Keith Angel.

FIRST MATES

by: Kathy Smith.

2023 FM Skipper Barbara DeCuir (photo) stepped up to run our February meeting, as our annual officer installation luncheon has been delayed a month due to unforeseen circumstances. The Galley staff made a delicious luncheon with an individual, heart-shaped chocolate cake for dessert, and we still managed to have fun meeting.

Incoming 2024 FM Skipper Carole Stonich and her team will be sworn in at our March meeting. The meeting will be held on the lower deck as usual, and the menu will be emailed to the group the week before. Any KHYC women are welcome to join us. We each buy our own lunch and wine, but the camaraderie is free. Contact Kathy Smith to get on the email list: kmws@aol.com.

Many of us will be at the club on the annual Cleanup Day on March 2. Some of us have been doing the cleanup gig for more years than we can count but we keep coming back for more, as it is a great way to meet other club members and have a few laughs! The free lunch is a bonus! Hope to see you there!

MERCHANDISE.

by: Clara Jett, Merchandise Chair.

Happy St. Patrick's Day from the Merchandise Store. This month we are featuring our Staff Commodore Bob Folkman, 1976. He was an avid racer, cruiser, social chairman, house chair, and was involved in the junior program (now the Youth Foundation). He is wearing a grey flannel shirt with a black/grey windbreaker, looks good Bob.

New merchandise arriving soon which will include white polo shirts for men, just in time for opening day. Sale items now available. If interested, email me tajett@earthlink.net for a showing.

KING HARBOR YOUTH FOUNDATION

Roger O'Connor, Director.

Please mark your calendars for our biggest fundraiser of the year, the Fritz Dawson SAIL-A-THON, on Sunday, March 24th! It will be at KHYC and everyone is welcome! Come join us and bring friends to enjoy an afternoon of sailing, games, food, live music and a great auction. We will have priceless auction items that you won't want to miss! Go to KHYF.org or use the QR code here for details.

It's also time to start thinking about summer sailing for the kids. Registration is now open for morning/afternoon sessions starting June 10th through August 9th. Sessions are open to beginners and no sailing experience is necessary so check out the Opti, FJ and Adventure Sailing opportunities on KHYF.org and sign up soon!

Our sailors kicked off the season with the 40th Anniversary of the Rose Bowl Regatta at the US Sailing Center in Long Beach. It is both a college and high school event where we had Mira Costa competing in the Gold Fleet and South Torrance (combined with Redondo Union) in the Silver Fleet. Congratulations to Kayla Spalding & Griffin McDaniels who won B Division and Joaquin DesRochers and Reese Lieser who placed 3rd in A Division.

Next up is the Gaucho in Santa Barbara on 3/9-3/10 with both the Morro Bay Opti regatta and our last FJ SoCal in San Diego the weekend of 3/16-3/17. Good luck to all of our sailors!
