**COMMODORE'S CORNER.**

by: *Andy Beggs, Commodore.*

Its 2 am Saturday morning, February 24<sup>th</sup>, I'm 20 miles West of San Clemente, and I'm very tired and cold.

Fortunately, there is no wind to make me colder. But unfortunately for my progress in this crazy race, there is no wind to move me closer to finishing. How did I get here? As often happens at KHYC, you start talking to people about their boating experiences over drinks and the next thing you know you're doing a double handed race around Bishop Rock. That is what happened to me this year. KHYC members David Bew, V/C James Lee, Zafar Kahn, and Xavier Menendez often regaled Joe Bell and me with stories of intrepid fortitude in the PSSA distance racing, and I was apparently inebriated enough to say "Hold my beer". This resulted in Joe and I racing from MDR, south for 100 miles to round the Bishop Rock buoy at Cortez Bank, and turn back north to the finish line at Eagle Rock on the West End of Catalina. We had already tried to race the PSSA Ship Rock race but quit after drifting around Ship rock for 2 hours. This time, we were determined to stick it out, and we did! 36 hours after the start, we finished at 3:15 am on Sunday, for a surprising 2<sup>nd</sup> place in the double handed fleet. Success!

Meanwhile, the "normal" racing has started rolling here in the Santa Monica Bay, with our own Spin #1 happening on March 16<sup>th</sup>, and a pair of Berger-Steins in the books. Berger Stein (DRYC) #2, the "South Bay Tour", was one to remember, with wind hitting 35 knots and multiple squalls bashing the fleet during the race. To say it was cracking' would be an understatement The 24 mile race went by fast, with Triggerfish V pulling a bullet from the PHRF C fleet, Expression Session surviving the

the mayhem for a 7th while over in PHRF D, Marty Burke on Belle Vita landed on the podium in 3<sup>rd</sup>. PHRF E saw Soul Shine get bronze, while in the Cruising classes, Vice Commodore Lee got 4<sup>th</sup> in A, and El Encanto landed another 2<sup>nd</sup> class result. The real win was returning without major damage, but King Harbor really represented us well, out there! Of course, The Big thing in the Spring is that its Opening Day Season in the Yacht Club world! Many of your flags have attended clubs' events, wearing blue blazers, melting in the noontime sunshine, and eating deviled eggs. It's always fun to visit other clubs to see how others live, eat, and celebrate. Cal Yacht Club, despite a boarded-up clubhouse building, still put on a lively event on the front lawn and in a giant tent erected in the parking lot. It was great to see them in high spirits, despite a tear or two from speakers when referencing their tragic fire of the fall. We're all hoping to see them find a path forward for a new lease and a new building. Del Rey Yacht Club was also fun. They have a lovely building and a well-attended event. The Staff Commodore who gave the invocation had us all in stitches as he led a prayer for low diesel fuel costs and slip fees. I'm grateful to DRYC for the invitation, and for their kindness in renting us their Shultz's Landing facility in Cat Harbor, Catalina for our Commodore's Cruise on June 28-30. DRYC just recently renewed their lease with the Island Company. They expressed their desire to create collaborative events with other clubs, so we're going to welcome any DRYC members who are on the island to join us for our events for the Commodore's Cruise. If you meet a DRYC member, please say "thank you". Our own Opening Day is coming up fast on April 7th. We're going to throw a great event to make us all proud, see you there! This is how we win: Great resiliency, great competition, great club.

**King Harbor Yacht Club!**

## GOOD ADVICE.

by: James Lee, Vice Commodore.

What a wet and stormy Berger & Stein #2 South Bay Tour race DRYC held on March 2! Several KHYC boats participated.

very hard. Want to feel better, have a cannolo!

Commodore Beggs, myself and Jennifer Paquette attended the Mardi Gras-theme CYC Opening Day on March 9 and had a great time celebrating and catching up with our esteemed club to the North as well as many representatives from other yacht clubs. And now yacht club Opening Day season is upon us so Hope to see you all at our Opening Day on April 7!

Including all these placing in their respective classes: 1<sup>st</sup> Place Triggerfish (Commodore Andy Beggs) - C, 3<sup>rd</sup> Place Bella Vita 9 (S/C Marty Burke) - D, 2<sup>nd</sup> Place Soul Shine (Scott Haisman) – E, 2<sup>nd</sup> Place El Encanto (Jeff Gentry) – Cruiser B. Other KHYC competitors were Renegade (R/C Denny Browne) and Mare'zia. The PSSA Bishop Rock 165 nm Race to Cortes Bank 23-25 Feb was a long one testing one's patience, focus and skills. Triggerfish placed 2<sup>nd</sup> in the double handed class finishing in 36 hrs 13min. Mare'zia finished 3<sup>rd</sup> in the single handed class taking 38hrs 42min. Kudos to KHYC racers sailing the challenging winter season races!

I gave a talk about my experience sailing the Aeolian Islands off of Sicily to the Women's Sailing Fleet on February 26. We had a great time revisiting my cruising trips around those islands and there were lots of great questions and interest. I highlighted last year's flotilla with a total of 5 boats, 4 of which were skippered by KHYC members. Seems like plenty would like to go there and you won't have to twist my arm

Mark Folkman, Keith Angel, Mike Galloway and I had a fantastic time sharing our experience and knowledge of cruising the Channel Islands on a packed upper deck of the club on March 12. Some great stories were shared!

**VIEW FROM THE REAR.**

by: Denny Browne, Rear Commodore.

Race season has begun! And, among other things, it requires race marks!

That's a lot more involved than it appears while racing. I want to express the club's appreciation to Jeff Chambers, who has been building and deploying marks for a few years. He has recently helped me to gain a better understanding of the complexities of marks maintenance.

It seems that our beloved ocean is pretty hard on them, sometimes just chewing on them and sometimes it simply swallows them whole! Marks must float, of course, and heavy ground tackle helps to keep them in place, but if it is too heavy it is hard to handle, it damages the committee boat and it could hurt the crews deploying the marks. It is a delicate task to be performed with experienced crew. If the marks bounce along toward the canyon during a very heavy storm, the heavy ground tackle simply takes them to the bottom, to oblivion!

Many of you have noticed and commented on the dredging in the harbor. Turns out it has been interrupted by equipment failure. Unfortunately, it appears that their return will likely put the dredging equipment at our end of the harbor, delaying our plan to get the rigging docks back in the water for Opening Day.

**MODEL YACHTS FLEET**

by: The Telltale Editor.

As the old saying goes: "**Better late than never**"- On Sunday, February 18, the Model Yacht Fleet (MYF) held the DF95 Midwinter "Tune-Up" Regatta. The 10 skippers had to deal with very shifty 7-10 knot winds and waves crashing over the breakwater in the background. The winners were Chris Collins in 1st place, Eric Carson in 2nd place, and S/C Kelly McMartin in 3rd place. A big thank you goes out to the superb scoring team: Tracey McMartin, Eagle Sam, and Lisa Falk, and our enthusiastic volunteers.

## CRUISING FLEET

by Katie Gonzalez, Fleet Skipper.

In March, the Cruising Fleet hosted a fantastic panel of KHYC members, V/C James Lee, Mike Galloway, Keith Angel and Mark Folkman, who shared their vast knowledge and experiences on Cruising the Channel Islands. They packed the clubhouse with 100 attendees. Everyone raved about their informative and entertaining presentation and left with a desire to get out cruising to the islands. Several members also attended a March 13th luncheon at the Los Angeles Yacht Club to meet with 2022 Golden Globe Race Winner Kirsten Neuschäfer from South Africa. Kirsten chronicled her impressive journey preparing for, and then winning

the race, which was a solo, non-stop, unassisted circumnavigation. She sailed approximately 30,000 nautical miles in just under eight months at sea - No GPS.

Lastly, in March, our Fleet hosted the Annual St. Patrick's Day party for all Club members to enjoy. The galley staff served a delicious, corned beef and cabbage dinner while Irish music and bagpipes entertained us. The evening also included a special Irish toast that is appropriate to say all year long: "There are good ships, and there are wood ships, the ships that sail the sea. But the best ships are friendships".

## FIRST MATES

by: Kathy Smith.

The First Mates feasted on a lovely corned beef & cabbage luncheon prepared by the Galley at our March meeting. The tables were decorated in Irish fashion, and most attendees had some green in their clothing.

The GAL Award (“Great All-around Lady”), which was initiated by Dottie Busby over 40 years ago, was presented to Kathy Smith. Kathy is a long-time club member who joined the First Mates over ten years ago when she retired, and you might remember her from her years as Telltale Editor.

Outgoing Skipper Barbara DeCuir introduced incoming Skipper Carole Stonich, whose husband Ivan was in the vicinity and presented her with a bouquet of flowers. We are so grateful that these two women have coordinated with each other to keep someone at the helm of the First Mates!

As is customary, the outgoing FM Skipper can choose a gift to be given to her by the fleet. Barbara requested and received – wait for it! – an O-Cedar bucket & mop wringing system! She was quite thrilled with her gift! Many thanks to Barbara for helping us out for so long!

The First Mates are planning activities for the year. We meet the first Wednesday of most months around 11:00 am, with a luncheon at noon, and a meeting to follow. All women are welcome to join us!

## BOOK CLUB.

by: Rafael Fernandez.

In march we reviewed “*Lady Tan’s Circle of Women*” by Lisa See. One of our favorite local authors. The first chapter was tough for me to read. I have never understood the Chinese custom of folding and “binding their women’s feet. **Why in the world would you do that?!**

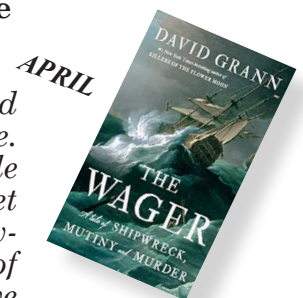

“Chánzú, or foot-binding, was the Chinese custom of breaking and tightly binding the feet of young girls to change their shape and size. Feet altered by foot-binding were known as lotus feet and the shoes made for them were known as lotus shoes. In late imperial China, bound feet were considered a status symbol and a mark of feminine beauty. However, foot-binding was a painful practice that limited the mobility of women and resulted in lifelong disabilities. The practice may have originated among court dancers during the Five Dynasties and Ten Kingdoms period in 10th-century China and it has been estimated that by the 19th century 40 to 50% of all Chinese women may have had bound feet, rising to almost 100% in upper-class Han Chinese women. By 2007, only a small handful of elderly Chinese women whose feet had been bound were still alive”. **Wikipedia.**

The book said that “According to Confucius, an educated woman is a worthless woman,” but Yunxian born into an elite family, was raised by her grandparents to be of use. Her grandmother was one of only a handful of female doctors in China, and she taught Yunxian the pillars of Chinese medicine: **The Four Examinations of looking, listening, touching, and asking.**”Something a man could never do with a female patient in China”.

From a young age, Yunxian learned about women’s illnesses alongside a young midwife-in-training, Meiling (many of which relate to childbearing). The two girls found fast friendship and a mutual purpose - despite the prohibition that a doctor should never touch blood while a midwife comes in frequent contact with it - and they vow to be forever friends, sharing in each other’s joys and struggles. **No mud, no lotus, they tell themselves:** from adversity beauty can bloom. But when Yunxian is sent into an arranged marriage, her mother-in-law forbids her from seeing Meiling and from helping the women and girls in the household. Yunxian was to act like a proper wife: *Embroider bound-foot slippers, recite poetry, give birthsons, and stay forever within the walls of the family compound, The Garden of Fragrant Delights.*

### UPCOMING REVIEWS:

## NIGHT WATCH FLEET

by: Sara Martin, Fleet Skipper.

Night Watch Fleet begins every meeting with Acknowledgements, Gratitude & Celebrations to set the tone for our always congenial evenings. At our March meeting, we thanked our fleet members who assisted on Club Cleanup Day to work on trophies or whatever needed doing. Fittingly, we also celebrated Tanya Rosser's news that she and husband David (and baby Emerson!) are the proud owners of a new MacGregor 27 – this is especially touching since her grandfather is ***THE MacGregor*** of MacGregor Yachts, who set this boat aside for her a long time ago!

Between last month and this one, we managed to get all of the 2024 NWF Officers sworn in, with S/C Norie Martin doing the installing. Norie always manages to swear in the officers with the perfect balance of seriousness and humor! *Thank you, Norie!*

Purser Helen Flanagan filled us in on her nearly-finished research project on how our fleet (and other fleets) can accept and issue electronic payments for dues, special events and other expenditures. We'll let you know the details next month.

Jenny Lee also stepped into our fleet's First Officer's role, and after her spectacular imagining and leadership of last year's Ballroom Line Dancing Lesson – which began with 25

learners and ended with a conga line of over 50 happy two-steppers after the bar customers joined in – we're excited to see what her passions, talents and skills will bring to the fleet and club this year.

At our next meeting on Tuesday, April 2, we will prepare as a fleet to fulfill our traditional role as greeters of all VIP guests on Opening Day. We invite all women of KHYC to learn about the history, traditions, and special flavors KHYC brings to the day our club celebrates the beginning of our amazing boating season.

Night Watch Fleet will again host a Cinco de Mayo afternoon/evening on the patio on...*you guessed it*...Sunday, May 5<sup>th</sup>. Watch this column and the weekly email blast for details. Plan to enjoy the excellent food, festive music and decorations – and best of all, the friendly company of some of your favorite club members.

Our specialty is fun and festivity, and all women of KHYC are always welcome to attend our meetings. Keep up to date by 'book marking' our fleet web page: <https://khye.org/group/pages/club-fleets>.

## KING HARBOR YOUTH FOUNDATION

by: Suzanne De Stefano, Sailing Administrator.

Our Opti and FJ Sailors have been busy with regattas almost every weekend in March. Congratulations are in order since their hard work is starting to show with the following results:

1. SoCal Series @ SWYC: Gabe Hasen, Tyler Burks and Griffin McDaniels finished the SoCal series with a 2<sup>nd</sup> place at SWYC.
2. PCISA Series: South Torrance placed 2<sup>nd</sup> in out of 31 at the Golden Bear regatta in Treasure Island and placed 5<sup>th</sup> at the Gaucho regatta in Santa Barbara out of 28 in Silver Fleet.
3. Shadden Series: Joaquin Des Rochers and Kayla Spalding raced in the final regatta of the 2023-2024 Shadden Series on March 2<sup>nd</sup> and 3<sup>rd</sup> at ABYC. They finished 5<sup>th</sup> in that regatta and an impressive 4<sup>th</sup> out of 57 for the series.
4. Carrie Series @ DRYC: In their second regatta ever, Chloe Hirsch finished 7<sup>th</sup> and Bennett Hirsch finished 6<sup>th</sup> out of 38.
5. Harken Series @ CYC: King Harbor representing with the most sailors of any yacht club and Zane Usmani finishing 6<sup>th</sup> out of 28 sailors.

We are also excited to announce that we have a philanthropic partnership with the Beach Life Festival where KHYF is a beneficiary of this year's fund raising efforts. In addition, we will have a tent set up at the festival all three days (May 3<sup>rd</sup> to 5<sup>th</sup>) so we can share our mission with the community. Please come by and visit us if you are going to be there! Our New Channels outreach program welcomed back a great group from Jack's Clubhouse, an organization that offers a collaborative space for neurodiverse families in the South Bay. With the help of our adult and junior volunteers, we had the kids and their families go for a sail, kayak or take a powerboat cruise through the harbor. There were lots of smiles and life-long memories made that day! Registration is still open for morning/afternoon summer sessions starting June 10<sup>th</sup> through August 9<sup>th</sup>. Check out the Opti, FJ and Adventure Sailing opportunities at [KHYF.org](http://KHYF.org) and sign up soon.
