**COMMODORE'S CORNER**

by: *Andy Beggs, Commodore*

Fall is here! Somehow it feels like June with this persistent fog bank sitting on top of us, but it's October. Fun times, for all of you who joined me in my lederhosen at the Octoberfest party! It's not October until you do the chicken dance. My new personal motto: *"Chicken dance like no one is watching"*.

Meanwhile, I continue to spend a lot of time thinking about the club, and our potential for the future...

What I'm realizing is that there are not a lot of "comparable" clubs that work quite like we do. We're medium-sized by membership quantities. There is a club of similar size; and, like them we don't have slips and slip income to buoy us. But what they do differently from us is that their monthly dues, while in total are about the same, go mostly to operating income. They handle major construction projects with special assessments. We're banking a significant amount of your monthly overall payment into a new building fund, as you know. The goal is very much to NOT have a special assessment when it's time to do major construction on Mole "A".

Galley service is an area that we're watching right now. As you know, we serve about four seated meals per week, plus "light fare" on other days. Other clubs like ours are offering 10 or more seated meals per week, and are able to generate twice the galley income than we do. That allows them to spread the fixed costs across more meals, which is more efficient. One way we make up for the limited demand in food service from the membership is to lease to outside events. I'd very much like to see us serve more meals to members per week, but realize that unless there is demand, that idea will backfire. One solution to this is to have more members which will increase demand for meal service. Another alternative is to not have an in-house galley at all, and use outside catering whatever meals we provide, which some clubs do. I've become partial to Chef Marco's cooking though....

I was reminded recently by someone that our views from upstairs at the club are unmatched by yacht clubs or restaurants. What inevitably happens, however, is for those of us who enjoy the view from the club every day, we become blinded to the magnificence of our perch. None the less, only we have these Catalina-to-Pt. Dume views of the sun setting over the Santa Monica Bay. We need to take better advantage of this asset!

Ultimately the big item that can propel KHYC into our future is a new lease on Mole "A" and the potential to operate docks and slips. Once our future is certain, we can start planning in earnest for what our new club can be, and how we can best serve our current and future members. We could be close to achieving our future right now! As a reminder of what our future could look like, I'm posting the architectural renderings of one imagined future clubhouse. Don't get caught up on the details, the actual design will probably look a lot different from this....but this to me symbolizes the future that is awaiting us if we lean into this effort with the City today. Our future is as close as that next wind line!

This is how we win: **Great potential, great marina, great City! King Harbor Yacht Club!**

## GOOD ADVICE

by: James Lee, Vice Commodore

Oktoberfest was an awesome event in which members Tracy Williams and John Klein won the stein-holding contest with the women clearly having more stamina than the men! The music, food and dancing were enjoyed by all. I was impressed by the five different kinds of sausages, the tasty sauerkraut and the three different mustards creating plenty of thirsty people for the delicious Spaten draft beer. The Cervezarita was a great idea, Robyn Solimando! Not to mention Julie Moore's effort

with the rest of the Club's Staff for renewing this great annual tradition that all the club members and their guests really enjoy! Meanwhile, the Castillon Classic was held the next day, on October 5th, and despite the cooler temperatures, the racers participated gladly and took off on three great starts, proceeding around the race marks in grand fashion! With my camera on the "ready", on the committee boat, we watched the racers with their spinnakers flying and dousing them just in time to make the leeward "T" Mark in front of Hermosa Beach and within view of the Yacht Club. After that, we quickly motored to the harbor entrance and anchored just in time to blow the horn for the finishers. **"Renegade"** was first in "A" Fleet by 23 seconds.

We had two KHYC racers compete in the Santa Monica Windjammers YC's Oktoberfest Regatta, Joe Elliot in the Martin 242 Fleet and Jeff Gentry Cruising Fleet. He was 2<sup>nd</sup> in the first of three races and finished 5<sup>th</sup> in the fleet series. Then Jeff Gentry in El Encanto brings home a first place

trpphy.... **Wonderful racing, Joe and Jeff!** That race is the twelfth and last of the ASMBYC High Point Series and we are proud to announce that Jeff Gentry in El Encanto earned 2<sup>nd</sup> overall in the series out of 140 boats which earns him the **"Home Harbor Perpetual Trophy"** to be presented at the ASMBYC Installation Brunch in January. Forty four (44) KHYC boats participated in the High Point Series, Fourteen (14) more than usual and more than twice the points of the next club. Way to go KHYC! Thanks to David Doeh, our ASMBYC High Point Chair, for all your hard work in

making the series fun and exciting. Lots of great races planned for next year and we are collaborating with other clubs for more joint racing events to have more boats in races and provide more opportunities for our KHYC racers! New members keep coming and we are getting noticed out in the community and on the waterfront. They are excited to participate and volunteer for our events so please give them a warm welcome. Speaking of events, on January 18, 2025 is the KHYC Commodore's Ball and we have something fabulous in mind for you. We have rented the Grand Salon at The Queen Mary and with Danny Freyer and his Jazz Band, you will have wonderful, dancing, dining and great company...

We also have a block of rooms at discount! **Please refer to page "8"**.

## **VIEW FROM THE REAR**

by: *Denny Browne, Rear Commodore*

Many of you are aware that Deb and I cruised from Barcelona to Rome in October, and I was traveling last week, so I missed more than half of the month! When booking the cruise, I didn't realize that it would cause me to miss a board meeting and a general meeting, so I'm grateful to the Board and the Members for excusing my absence. The place seems to be moving along just fine without me, and despite the wonderful time we had on the ship and ports, it's also great to be back!

I want to remind any members who are interested in a dry moorage spot in the East Yard, that our wait list is moving faster than it has in the past. If you have interest, please check in with the office to get on the list. Our committee has been doing a terrific job of drawing current licensees' attention to their unused vessels, and some have chosen to vacate. That presents opportunities for those of you who would like to get a vessel into the yard, so please get in touch. The yard is for moorage, not just storage, so licensees' boats must be used to be eligible, not just stored. Historically, many of you have enjoyed bringing your boats to the club to enjoy the front row seats during the Boat Parade, this year on December 14. As a reminder, the docks are coming out of the water beginning at 7 am on December 15, the morning after the Boat Parade. If you want to spend the night on the 14<sup>th</sup>, please don't forget that the rigging docks must be clear of boats by 7 am.

Special thanks to Rosie Vullo, this month, for the amazing artwork we frequently find displayed under her watchful eye on the north wall of the upper deck. It's worth a special trip to the club. But I also want to remind you all that Rosie would welcome your call if you have artwork you'd like to see displayed there. Members have priority, of course, so please keep it in mind.

And, finally, the America's Cup winner will have been decided by the time you read this, but the score is currently Luna Rossa Prada Pirelli (Italy!) 4th and Ineos Britannia 2nd (fighting their way back from 4th!).

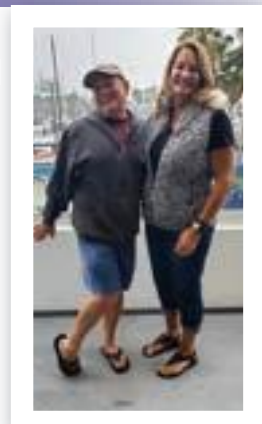

I look forward to seeing you around the club soon!

November merchandise news: Happy Thanksgiving to you all turkey and pumpkin pie lovers. This festive month we are featuring Mark and Katherine Folkman. They are sailors, cruisers, director, members of the cruising club, and very involved in the club. Mark is wearing a dark grey sweatshirt and tan ball cap and Katherine is wearing my favorite, the fluffy vest. We now have many light grey sweatshirts, great for your crew, outdoor activities or at home in the chilly mornings. Just in, black beanies, they look great with the embroidered KHYC burgee. Let me know if you have a favorite sweatshirt, tee, vest, or jacket.

## KHYC BUDGET AND FINANCE COMMITTEE NOTIFICATION.

by: S/C Lee Coller, Chairman

### 2025 Budget and Finance Telltale Submission

This year's budget and finance committee consists of S/C Lee Coller – Chair, Treasurer Amy Kim, Commodore Andy Beggs, Vice Commodore James Lee, Rear Commodore Denny Browne, Rear Commodore Elect Katie Gonzales, and Club Manager Mike Hyler.

The budget and related fees were approved by the Board of Directors at their October meeting. At the November 22<sup>nd</sup> general membership meeting the budget will be presented and the membership will be asked to approve the proposed dues and assessments.

The board has approved an operating budget for 2025 of \$2,274,566 in income and \$2,273,781 in expenses for a surplus of \$785. Major points of this budget:

1. 10% increase in Food & Beverage costs.
2. \$8/month increase in regular dues and corresponding percentage increases in Flag/Jr Flag and Junior dues
  - a. Note that for the last several years we have defined the dues for the other categories as a percentage of regular dues. Flag members being 50%, Jr Flag 27% and Junior 11%
3. Increases in Race Fees
4. Boat Yard increase to \$8/foot

#### Dues Changes

For Dues increases, the membership will need to approve the following (majority vote):

| Category                              | Current Dues (month) | Current Dues (year) | 2025 Dues/ Month | 2025 Dues/year |
|---------------------------------------|----------------------|---------------------|------------------|----------------|
| Regular/Dual                          | \$138                | \$1,656             | \$146            | \$1,752        |
| Flag                                  | \$69                 | \$828               | \$73             | \$876          |
| Jr Flag                               | \$37                 | \$444               | \$39             | \$468          |
| Junior                                | \$15                 | \$180               | \$16             | \$192          |
| Family (per additional family member) |                      | \$15                |                  | \$15           |
| Associate                             |                      | \$150               |                  | \$150          |
| Non-Resident (16% of \$213/ month)    | \$37.28              | \$447.36            | \$40.16          | \$481.92       |

#### Capital Assessment

A \$10 increase in the capital assessment for Regular/Dual members – dedicated to the building fund and an increase in the Capital Assessment for the other membership categories. (2/3 vote required)

Congratulations to **Tanya and Dave Smith** for winning the first *His & Hers Race* of the year representing the Cal 20 Fleet! What an adorable picture of Father and Daughter.

You still have time to compete with the Cal 20 Fleet in 2024. Our single-handed Jarvis Hamilton Race will be on Nov 2<sup>nd</sup> and our Christmas Regatta is on Dec 7<sup>th</sup>. The Cal20 Fleet is having their World-Famous Christmas party on Dec 8<sup>th</sup>. If you have been at all involved in the Cal 20 Fleet, please contact us about attending. We also have Cal20 Work Days tentatively scheduled for Jan and Feb 2025, so if you need help with your boat, that's the time! Ray McVey is making new Whisker Poles, please contact him before he starts buying the materials. 2025 is already looking up as a better sailing season, as 2 of our best sailors will be coming off of the "injured reserve" list! Friday Nov 8<sup>th</sup> Dinner Music will feature a Cal20 team member... sort of! Please come out and support us that dinner. Our Cal 20 Fleet still meets every 2<sup>nd</sup> Monday of the month at 6:30pm at the upstairs big round table. We always have good attendance and usually hit upon a technical discussion or two. If you have interest in the California 20 boats, please attend. We are a friendly and supportive bunch. The Cal 20 is a small, easy-to-sail but hard-to-sail-fast boat that is currently KHYC only One Design Fleet!

## KHYC CRUISING FLEET.

by: Katie Gonzalez, Fleet Skipper.

KHYC Cruisers spent the last weekend of September in Avalon for some Oktoberfest fun. The weather was sunny, and the weekend was filled with cheers, beers, and karaoke. We also enjoyed group hikes and meals together. A wonderful weekend was had by all! Our last cruise planned in 2024 will be to Newport Harbor in December.

## BOOK CLUB REVIEWS

by: Rafael Fernandez, Book Club Skipper.

In October we reviewed *The Devil In The White City* by Erik Larson. The book is really two stories under one book cover, it interweaves the true tales of Daniel Burnham, the architect behind the 1893 World's Fair, and Dr. H. Holmes, a serial killer who lured his victims to their deaths in his elaborately constructed "Murder Castle", his mansion, built adjacent to the white city. What makes the story even more chilling is that Holmes really lived, walking the grounds of that dream city by the lake. However, this book caught my attention for other reasons: Because of its mention of the legendary "1893 Chicago World's Fair", which was designed and put together by a famous group of Architects directed by Daniel H. Burnham AIA architect and urban designer. A proponent of the Beaux Arts movement, he may have been "the most successful power broker the American architectural profession has ever produced." Burnham overcame tremendous obstacles and tragedies as he organized the talents of Frederick Law Olmsted, **Louis Sullivan**, and **McKim, Mead and White** to transform swampy Jackson Park into the White City. That was the birth of "Landscape Architecture" applied by Frederick L. Olmstead: landscape architect, journalist, social critic and public administrator. He is considered to be the father of landscape architecture in the United States.

So, when I was a freshman at the University of Illinois (Navy Pier) in Chicago, I was taking basic drafting courses, dreaming of some day becoming an architect. The U of I did not have an architectural department yet, but I knew that my drafting instructor was an architect, so I asked him for a job at his office. He did not need anyone, but he directed me to **Graham Anderson Probst and White**, a large firm in downtown Chicago ("The Loop") which was expanding and were hiring. He told me: "Put your best drawings and sketches in a nice clean binder, wear a fresh shirt and tie with a jacket and schedule for an interview. Be polite but don't be shy and more importantly don't be late! Oh, and tell them I sent you" Well, I couldn't believe it, I got the interview, they made me draw a couple of details on a drafting board and free hand sketch the office in perspective... I got the job right then and there! Started three days later and ended up working there for 15 happy years. I learned a lot, our mantras were: **Form follows function** (Louis Sullivan's philosophy); and, **Less is more** (Mies van der Rohe's philosophy).

## FIRST MATES FLEET

by: Kathy Smith, Fleet Skipper.

The First Mates met in October and used the opportunity to celebrate Halloween. Our treasurer, Barbara DeCuir, was transformed into a "Wild Butcher" and won the prize for the best costume, as judged by Office Manager Laura Priest. Barbara was pretty frightening, to be sure!

We were also able to celebrate Ibbey Dawson's 90<sup>th</sup> birthday! Ibbey looks awesome and she is still very young at heart! Between the birthday cake that Skipper Carole made for Ibbey and Chef Marcos' pumpkin pie, we had two desserts – it doesn't get any better than that!

The First Mates will meet as usual on the first Wednesday in November, and all ladies are invited to come. We will also be decorating the club for Christmas soon; watch the weekly emails for date & time, as all are invited to join us in this happy task. Ladder climbers are especially appreciated! And there will be a free lunch in it for you!

## KING HARBOR YOUTH FOUNDATION

by: Suzanne De Stefano, Sailing Administrator

KHYF junior sailors have been busy competing in regattas up and down the coast and they aren't done yet! We sent Opti teams to the Sanguinetti Team Race event at Cal Yacht Club the weekend of September 21st-22nd. Parents enjoyed watching from the dock and also got treated to a better view of the event from the club Duffy boat. KHYF had a strong showing with 6 out of 15 teams and our sailors performed well while learning a lot about team race strategies. We also want to give a shout out to Tate Vincent who competed in Lasers for El Segundo High School at the Singlehanded Pacific Coast Championships the same weekend down at Mission Bay Yacht Club.

The following weekend, our junior sailors joined forces to try their hand at racing keelboats. Sailing a Martin 242 in the Octoberfest Regatta at SMWYC, the KHYF Race Team included Katherine Akens, Isla Cooper, Palmer Mays and Alden Snyder. It was a lot of fun and a great learning experience for our sailors to race in this popular regatta for PHRF, Cruising and One Design classes. Meanwhile, down at San Diego Yacht Club, South High School raced J-22's in the PCISA Keelboat Qualifier with team members Joaquin DesRochers, Reese Lieser, Arianna Yiakas, and Caleb Rauzon. We are so excited to see our kids taking the initiative to practice together and experience different regattas.

October brought us many foggy days so race conditions were interesting to say the least. Team racers Joaquin DesRochers and Arianna Yiakas pushed through it and had fun at Cal Yacht Club for the last Shadden race of the year. Up north, Redondo Union High School competed in the PCISA Sea Otter Regatta in Monterey. For many of the sailors, it was their first time racing! Competing in Silver Fleet, we had two teams with Alden Snyder and Meliah Medeiros sailing together and Dylhan Bajaj and Maya Cortez joining forces. RUHS is our largest High School Team this year and the regatta was a great experience for them.
