Subj.: Tom Collier Memorial Regatta

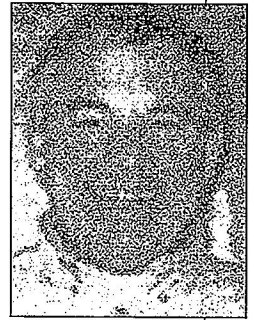

King Harbor Yacht Club's officers, directors and members are pleased to welcome you to our Eighth Annual Tom Collier Regatta.

This Regatta, held in Tom Collier's memory, raises funds for cancer research at the George Burns and Gracie Allen Research Center at Cedars Sinai Medical Center.

Tom Collier had a love of sailing which continued despite his diagnosis with cancer. His valiant battle stands as an inspiration to us all as we compete in this Regatta, and his memory lives on through this event. As you enjoy participating in this regatta, please remember to give generously to this cause in hopes that a cure may be found.

We hope you enjoy yourselves and our KHYC hospitality.

Remembering a fine sailor and dear friend

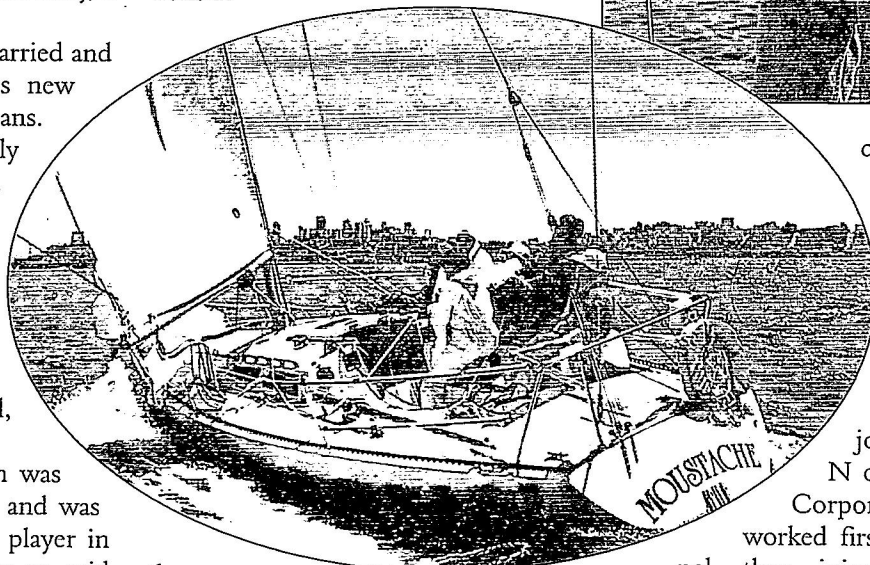

Thomas Edward Collier was born in June 1960, at Portsmouth Naval Hospital in Kittery Maine to Mary Jane Doll Collier and Edward M. Collier, an officer and pilot in the U.S. Air Force. Military assignments caused the family to move several times during Tom's childhood. The family resided in New Hampshire, Indiana, Florida, California and Nebraska. During their stay in Omaha Tom's mother passed away, a victim of cancer.

Later, Tom's father remarried and Tom was adopted by his new mother Jeanne L. McClimans. From Nebraska the family relocated to Washington D.C., where Tom began High School. The Collier family moved once again, this time to Riverside California. Tom graduated from Notre Dame High School, Riverside in 1978.

At Notre Dame, Tom was Captain of the Golf team and was honored as most valuable player in his senior year. He became an avid aviation enthusiast, serving with the Civil Air Patrol and building and flying model airplanes. He also won the

March AFB Golf Championship, the youngest competitor to have earned that honor.

In April of 1978 he received an appointment to the United States Air Force Academy in Colorado Springs, Colorado. Tom completed three semesters at the Academy and then decided on a career change in the Spring of 1980. Returning to Riverside, California, he held positions at

the Riverside Airport for three years while completing his training for his private pilot's certifi-

cation.

In 1984 Tom relocated once again.

This time to Los Angeles where he joined the Northrop Corporation. He worked first in personnel, then joined the B-3 Program, where he worked in manufacturing and planning. While continuing his love for golf, he broadened his interests and took up sailing. Tom quickly progressed from novice status to winner of the Olson 30 National Championship in both 1989 and 1990. He shared these victories on his boat Moustache with boat partners Mark Folkman, Kurt Mayol, Jeff Johnson and Kelly McMartin.

Tom was married in December 1989 to Hana Biller of Hermosa Beach, California.

After a long, valiant struggle, Tom succumb to cancer on October 6, 1991. He was dearly loved and is missed by his family and friends. The Tom Collier Memorial Regatta was begun in 1992 as a tribute Tom and a fundraiser benefitting cancer research.

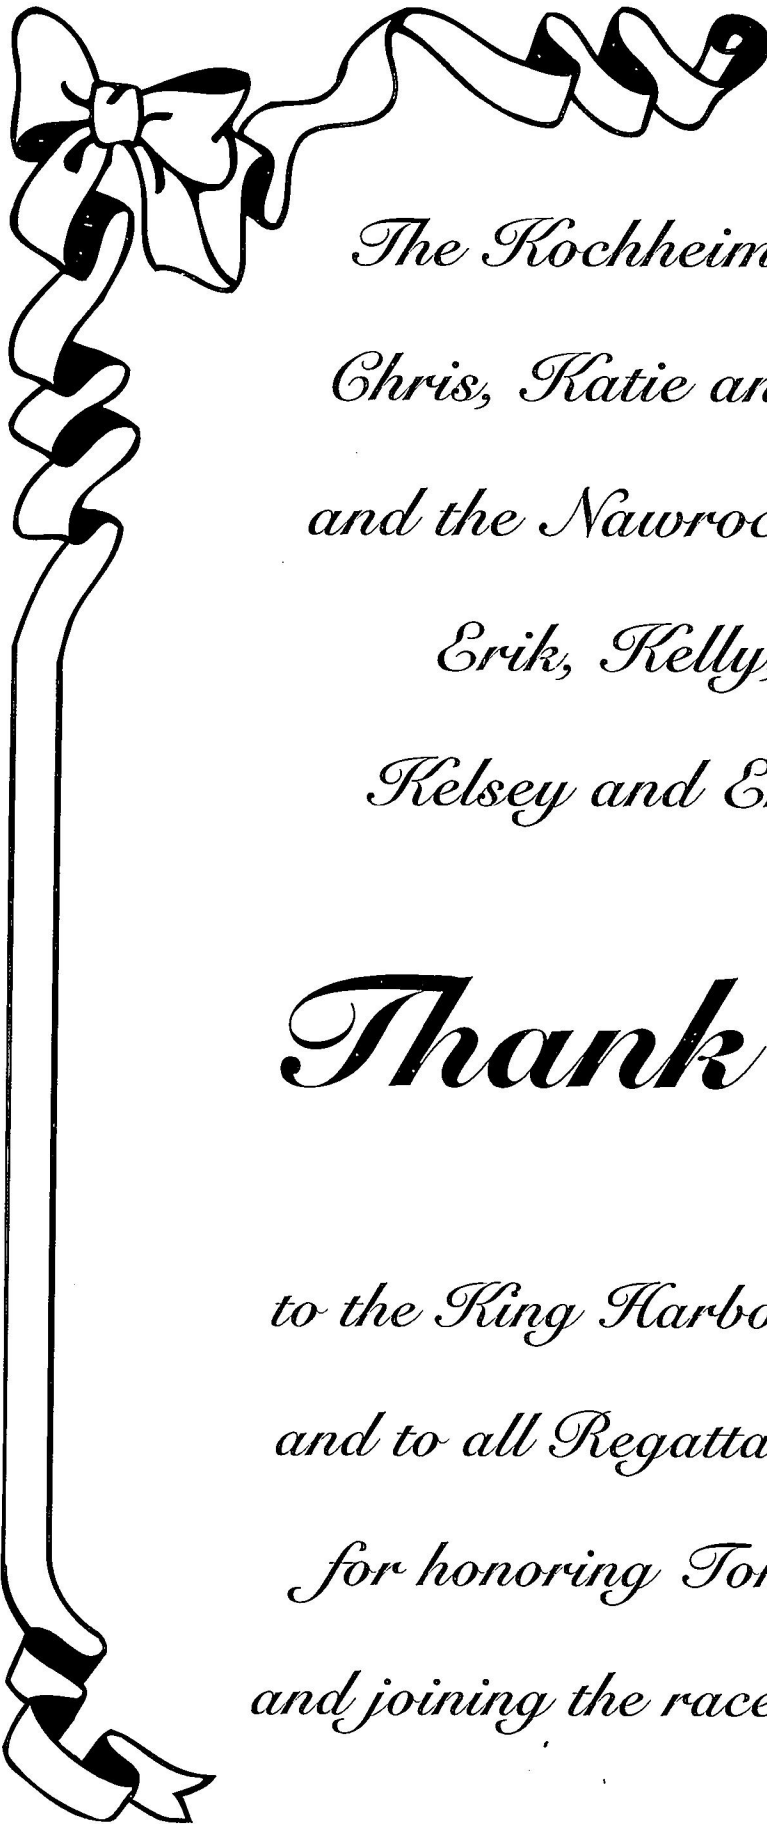

Tom Collier Memorial Regatta

"THE CHILDREN OF THE SEA" twin dolphin sculpture atop the beautiful Tom Collier Memorial Regatta Trophy was commissioned by the Collier family and executed by Wyland, the world famous sculptor and muralist who painted the "Whaling Wall" on the AES Redondo Generating Station. KHYC members Ron Schmid and Kelly McMartin designed and fabricated the laminated hardwood base and assembled the trophy.
