- Racers must check-in by VHF Ch. 78 between 1pm and 1:15pm with the following information: Boat Name, Sail Number, PHRF RLC Rating (spinnaker or non-spinnaker rating depending on race configuration).
- The rabbit start sequence begins at 13:20, start is at 13:30
- Marks with an s subscript must be rounded to starboard, others to port.
- A spinnaker control line must be released at W-mark and the spinnaker dropped as soon as possible.
- Racers must take their own finish time (to the even second) at W-Mark.
- Racers shall announce their finish time over VHF Ch 78 as soon as possible.
- Racers failing to finish must announce that fact as soon as possible.

**Rabbit Start:**

- The rabbit is Renegade.
- The rabbit has right of way throughout the entire starting sequence.
- At approximately 13:19:00 the rabbit announces the course on VHF channel 78.
- At approximately 13:20:00 the rabbit reaches on port past S-mark for 2 1/2 minutes.
- At approximately 13:22:30 the rabbit tacks and reaches on starboard past S-Mark for 5 minutes.
- At approximately 13:27:30 the rabbit tacks and reaches back toward S-Mark.
- At approximately 13:30:00 the rabbit hardens up on port to create the starting line between its stern and S-Mark to start the race.
- All boats start on starboard tack. The rabbit may tack after all boats have started, or one minute after passing S-Mark.
